## Media & Technology

### **'Radio' with 105.9 The Region's - Mike Atom (Program Director & Drivetime Host)**

Mike is an industry veteran who will both entertain and enlighten us all on the challenges and how technology assisted the team in getting 105.9 'On Air' in early December 2013. The station has gone on to establish itself as the No.1 source for music, news, traffic and weather in the York Region. Mike can also be heard on mainstream TV commercials.
